WELCOME TO ARMADA COURT

LOCATED IN  
*Cape Harbour*  
A Yachting Community

Armada Court is the crown jewel of Cape Harbour, a yachting community. For over two years, designer Steve Turner and developer Will Stout worked together with Gary Aubuchon, President of Aubuchon Homes and FL State Representative, to build this one-of-a-kind waterfront estate. With over 16,000 square feet, the compound features the main house, a guest cottage, caretaker's quarters, and garages for five automobiles and an RV.

This spectacular home has formal and informal living and dining rooms and a master suite replete with sitting room, private lanais, spa, and fitness room. The estate has six bedrooms, five full baths and three half baths, an entertainment level, gourmet kitchens, outdoor kitchen, wine loft, library and a reading loft. A waterfront promenade, six slip personal marina, and a vanishing edge pool complete this masterpiece.
